

**SCOTTIE RESOURCES CONSOLIDATES KEY CLAIMS TO BECOME
SUBSTANTIAL GOLDEN TRIANGLE AREA PLAY**

Vancouver, British Columbia, April 30, 2019 – Scottie Resources Corp. (the “Company”) (TSXV:SCOT) is pleased to announce that it has entered into an option agreement to acquire a 100% interest in an extensive land package directly adjacent to the Company's 100%-owned Scottie Gold Mine property. The mineral claims comprising the land package cover more than 1,500 hectares in the Golden Triangle area of British Columbia.

"The optioning of this land package is momentous for Scottie Resources", commented Thomas Mumford, the Company's VP, Exploration. "It fundamentally changes the potential of the Scottie Gold mine property by substantially expanding our previously restricted footprint. Prior to this acquisition, high grade gold mineralization was known to exist along our property borders but we were unable to properly advance it. With this new opportunity to explore the entire mineralizing system we are eager to get boots on the ground this summer."

Pursuant to the terms of the option agreement between the Company and an arm's length third party, the Company has the exclusive right to acquire a 100% interest in the property, subject to a 1.8% gross smelter return royalty, for aggregate consideration of \$250,000 in cash and 2,200,000 common shares of the Company, exercisable as follows:

Year	Cash	Common Shares
Upon TSXV Approval	\$50,000	200,000
1st Year Anniversary	\$50,000	400,000
2nd Year Anniversary	\$50,000	500,000
3rd Year Anniversary	\$50,000	500,000
4th Year Anniversary	\$50,000	600,000
Total	\$250,000	2,200,000

The Company has the right to re-purchase 0.8% of the royalty for \$1 million at any time. The option agreement remains subject to approval of the TSX Venture Exchange.

In addition, the Company is pleased to announce that it has purchased additional adjacent mineral claims, covering a total of over 500 hectares, for \$7,000 in cash.

In order to assist the Company with its short-term working capital needs, the Company has entered into short-term loan agreements whereby it has borrowed a total of \$260,000, of which \$180,000 is from Bradley Rourke, a director and officer of the Company, and \$80,000 is from Aeternum Capital Inc. The loans are unsecured, pay interest at 15% per annum, and are to be repaid by the later of (a) June 28, 2019; and (b) the date on which the lender makes a demand for repayment in writing (up to a maximum term of five years). Subject to approval of the TSX Venture Exchange, up to 980,000 bonus warrants will be issued to the lenders in connection with the loans, with each bonus warrant being exercisable at a price of \$0.21 per share for a period of one year.
