

Scottie Resources Announces 98% Uptake on Accelerated Warrant Exercise

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.

Vancouver, BC – September 1, 2020 – Scottie Resources Corp. (“**Scottie**” or the “**Company**”) (TSXV: SCOT), is pleased to announce that it has received \$2,542,464.54 from the exercise of 11,556,657 previously issued warrants associated with a financing in the autumn of 2019. On behalf of the Company, the board and management are grateful for the continued support of its shareholders as we continue to advance our Golden Triangle projects, notably the Scottie Gold Project.

President and CEO, Bradley Rourke commented “With an exercise rate of 98% our shareholders have resoundingly endorsed our vision for Scottie and its inherent capacity for continued success. Fall 2020 aims to be an exciting time for the Company as we receive and release assays from our active drill program. As of today we have completed 23 holes out of a planned 45 holes.”

On July 6, 2020 Scottie’s share price closed at \$0.385, after being at or above \$0.29 during the previous 10 consecutive trading days. Based on the terms of the Warrants, this triggered the Company’s option to accelerate the expiry of the 11,351,265 Warrants held by shareholders who participated in the Financing, as well as the 325,392 broker Warrants issued in the Financing (see the Company’s news releases dated September 25, 2019 and October 18, 2019). Scottie provided formal notice of the Warrant acceleration allowing the holder to purchase one common share of the Company for each Warrant held at a price of at \$0.22 per Warrant.

Funds will be used to add 2,000 m of diamond drilling to the ongoing 2020 drill program (as previously announced on August 13th, 2020), support the follow-up 2021 drill program, , and support corporate activities.
